# Agenda Item

#1

RELEASED: May 28, 2022

## SUMMARY

- *Directive 2022-34* provides instructions on how to conduct the August 2, 2022 Primary Election, which includes the offices for Ohio House and Senate, as well as State Central Committee.
- On May 27, a three-judge federal panel for the Southern District of Ohio (2-1) ordered, “[a]ssuming no map is approved by midnight on Saturday, May 28, we order Secretary of State Frank LaRose to push back Ohio’s state primaries to August 2, 2022, and to implement Map 3 for this year’s elections **only**.
- Map 3 referred to in the federal panel decision is the General Assembly district plan that was adopted by the Ohio Redistricting Commission on Feb. 24, 2022.
- It’s important to note that the federal panel decision orders Map 3 to apply only for elections this year (August 2, 2022 Primary Election and November 8, 2022 General Election).
- The Cuyahoga County Board of Elections (CCBOE) may conduct a Special Election on August 2 for local questions and issues that were filed by May 4. **One local option (Cleveland 06-M) was filed for the August election.**
- Since the CCBOE received at least one *Form 2-ZA* addendum by March 10, 2022 indicating that a candidate for Ohio House and Senate intended to change their residence to a new district, **it must meet on June 8, 2022**, to re-certify or reject declarations of candidacy. The CCBOE may not accept a *Form 2-ZA* addendum filed after March 10, 2022.
- Candidates for Ohio House and Senate have until June 7, 2022 to establish residency in a new district if they haven’t already done so.
- For this election, the CCBOE is not required to retrain precinct election officials who received training within the past three years. However, voting location managers must receive training if they were not trained before the May 3, 2022 Primary Election.
- Voters may request a ballot for either major political party or an issues-only ballot, if applicable, regardless of their participation in the May 3, 2022 Primary Election.
- The voter registration deadline is Tuesday, July 5. The CCBOE must have absentee ballots printed and ready for use by Friday, June 17 for UOCAVA voters. Absentee voting, by mail and in-person for non-UOCAVA voters, begins on Wednesday, July 6, 2022.
- The CCBOE need only submit an application to outsource absentee ballot mailings that includes updates to its last application. The board must vote to approve this updated application by June 7, and the application must be submitted to the SOS by June 14.
- A political subdivision submitting a special election may be charged only for the cost of ballots and advertising. The State will be responsible for the remainder of the cost of the election.

## PART ONE – FEDERAL COURT ORDER AND AUGUST 2, 2022 PRIMARY ELECTION

### I. AUGUST 2, 2022 PRIMARY ELECTION

The federal court order requires the SOS to conduct a primary election on August 2, 2022 for the offices of State Representative, State Senator, and Member of State Central Committee. In addition, the CCBOE may conduct a Special Election on August 2, 2022 for local questions and issues that were filed by May 4, 2022. [One local option \(Cleveland 06-M\) was filed for the August election.](#)

### II. STATE HOUSE AND SENATE DISTRICT MAPS

The State House and Senate district shape files, equivalency files, legal descriptions, and most populous county lists for the 3rd District Map (adopted on Feb. 24, 2022) can be found on the SOS website. Based on information collected from the boards, 86 of the 88 counties have the 3rd District Map programmed into their systems ([Cuyahoga County is one of the 86 counties](#)).

### III. PRECINCT BOUNDARY CHANGES

Boards of elections that had members of county central committee on the ballot could not change the number of precincts or precinct boundaries prior to the May 3, 2022 Primary Election. Boards can now change precinct boundary lines, but need to note:

- Changes in precinct boundaries must not occur during the 25 days immediately preceding a primary or general election.
- A precinct cannot contain more than 1,400 electors in active status.

### IV. CERTIFICATION OF CANDIDATE PETITIONS AND PROTESTS

The federal court order did not alter the filing deadline (4:00 p.m. on Feb. 2, 2022) for candidates for Ohio House and Senate, or Member of State Central Committee. The filing deadline for Write-in candidates was Feb. 22, 2022. If any filings failed to meet these deadlines, **the board must reject the candidacy.**

If a board **did not** receive a *Form 2-ZA* addendum by March 10, 2022, the board must meet by Friday, **June 3, 2022**, to re-certify or reject declarations of candidacy filed by the February 2, 2022 deadline. If the board **did** receive a *Form 2-ZA* by March 10, 2022, the board must wait to re-certify or reject declarations of candidacy until Wednesday, **June 8, 2022**. [The CCBOE did receive a Form 2-ZA by March 10, 2022, and therefore the board must meet on June 8.](#)

Protests may be filed against candidates for the primary election by 4:00 p.m. on Thursday, **June 9, 2022** for certifications done by Wednesday, **June 8, 2022**. Protest hearings must be held, and protests decided no later than Friday, **June 10, 2022**.

### V. OHIO CONSTITUTION ARTICLE XI, SECTION 9(C)

The Ohio Constitution allows candidates for Ohio House and Senate 30 days following the adoption of a new general assembly district plan to establish residency in a new district. The 3<sup>rd</sup> District Map was adopted on February 24. Thirty days following this was March 26. However, when the Ohio Supreme Court ruled the 3<sup>rd</sup> District Map unconstitutional on March 16, it effectively paused the implementation of the map. As such, there are 10 remaining days for candidates to change residence

to be eligible for the August 2, 2022 Primary Election. Candidates for Ohio House and Senate may establish residency in a new district no later than **June 7, 2022** (10 days following the implementation of the May 27, 2022 federal court order).

#### **VI. CANDIDATE WITHDRAWALS**

A candidate may withdraw their candidacy at any time before the primary by filing a written statement of withdrawal with the most populous county board of elections for the district. The federal court order was issued less than 70 days before Election Day. As a result, the deadline to withdraw and not appear on the ballot is Monday, **June 13, 2022**. The CCBOE must inform candidates certified to the primary election ballot that Monday **June 13, 2022**, is the deadline to withdraw and be removed from the ballot.

#### **VII. INDEPENDENT CANDIDATES FOR OHIO HOUSE AND SENATE FOR THE NOVEMBER 8, 2022 GENERAL ELECTION**

The independent candidate filing deadline for candidates for Ohio House and Senate is 4 p.m. on Monday, **August 1, 2022**. The CCBOE must certify the validity and sufficiency of independent candidates' nominating petitions no later than Monday, **August 22, 2022**, and protests against the candidates' nominating petitions must be filed no later than Friday, **August 26, 2022**.

#### **VIII. CAMPAIGN FINANCE DEADLINES**

Campaign committees are required to file a Pre-Primary Report by **July 21, 2022** to reflect activity through Wednesday, **July 13, 2022**, if the committee raised or spent \$1,000 or more to influence the August 2, 2022 Primary Election. Campaign committees are required to file a Post-Primary Report by Friday, **Sept. 9, 2022** to reflect activity through Friday, **Sept. 2, 2022**.

#### **IX. POLLING LOCATIONS AND PRECINCT ELECTION OFFICIALS**

The CCBOE must contact all polling locations to ensure availability for the August 2, 2022 Primary Election. It must do the same for organizations/companies that deliver voting equipment and supplies.

Any board that changes polling locations for the August 2, 2022 Primary Election must mail notice to registered voters in the precinct(s) and do all of the following:

1. Issue a press release to local media containing information regarding the new polling location(s);
2. Post a notice in a clear and conspicuous place at the previous polling location that redirects voters to the new polling location;
3. Update the polling location on the board of election's website;
4. Update the board of election's voter registration system with the new polling location;
5. Provide the updated precinct and polling location packet to the SOS immediately. Once the packet is sent, email the updated list to [SWVRD@OhioSOS.gov](mailto:SWVRD@OhioSOS.gov);
6. Update the board of election's election management system, if possible; and
7. Update the board of election's electronic pollbook, if possible.

For this election, the CCBOE is not required to retrain precinct election officials who received training within the past three years, so long as the county has not changed voting equipment. However, voting location managers must receive training before the August 2, 2022 Primary Election if they were not trained before the May 3, 2022 Primary Election.

## **X. SECURITY OF VOTING EQUIPMENT**

During precinct election official training, the CCBOE must provide instructions on the importance of maintaining the security of voting equipment and EPBs, verifying that all voting equipment is properly sealed, and recording information per the board's instructions on the custody log.

## **PART TWO – FORM OF THE BALLOT**

### **I. BALLOT LAYOUT**

Instead of issuing a separate Directive with specific details covering ballot layout and proofing, the SOS is issuing this portion of the Directive, which must be used in conjunction with Chapter 5 of the Election Official Manual when preparing ballots for this election.

#### **A. VERIFYING DISTRICT RELATIONSHIPS**

Before programming any aspect of its central tabulating system, the CCBOE must verify the accuracy of district relationships in the central tabulating system against the county's voter registration system.

#### **B. OFFICIAL BALLOT FORMS**

The CCBOE is to provide a separate ballot for each political party listing candidates for nomination or election in a primary election. Accordingly, the following ballot forms are posted to the SOS website.

- Official Democratic Primary Ballot;
- Official Republican Primary Ballot;
- Official Questions and Issues Ballot.

#### **C. ORDER OF OFFICES FOR PRIMARY BALLOTS**

The order of offices for *both* the Democratic and Republican parties is:

- Member of State Central Committee, Man
- Member of State Central Committee, Woman
- State Senator
- State Representative

#### **D. BLANK SPACES FOR WRITE-IN VOTES**

A write-in space must be provided on the ballot for every office for which the CCBOE received a valid declaration of intent to be a write-in candidate. However, it may not accept declarations of intent to be a write-in candidate for state central committee. If no valid declarations of candidacy were filed for state central committee, the office does not appear on the ballot.

## **E. OFFICIAL QUESTIONS AND ISSUES BALLOT**

Offices for which candidates may be nominated or elected are presented on the ballot first, followed by the questions and issues. The Official Questions and Issues Ballot must be used for all voting systems.

## **II. BOARD WEBSITES AND FEDERAL WRITE-IN ABSENTEE VOTERS (FWAB) NOTICE**

The CCBOE must remove from their website and Voter Information Lookup the Special Notice prescribed in *Directive 2022-31*. Boards must also remove the following disclaimer from their FWAB notice: "The content of this notice may change if a court order or legislative act requires a primary election for the General Assembly and State Central Committee in August."

## **III. ABSENTEE BALLOTS AND APPLICATIONS**

The CCBOE must send a copy of each absentee ballot style to the SOS by Thursday, **June 16, 2022**. Voters may request a ballot for either major political party or an issues-only ballot, if applicable, regardless of their participation in the May 3, 2022 Primary Election. An absentee ballot application must identify the election for which absent voter's ballots are requested. However, an absentee ballot application that is marked for the primary election must not be rejected due to an error in the date of the election, so long as it is otherwise clear that the voter is requesting a ballot for the August 2, 2022 Primary Election.

The voter registration deadline is **Tuesday, July 5**. The CCBOE must have absentee ballots printed and ready for use by **Friday, June 17** for UOCAVA voters. Absentee voting, by mail and in-person for non-UOCAVA voters, begins on Wednesday, **July 6, 2022**.

## **PART THREE – BALLOTS**

### **I. ABSENTEE BALLOT OUTSOURCING**

A board that received written authorization to outsource absentee ballot mailings for the May 3, 2022 Primary Election need only submit an application that includes updates to its last application, including a copy of the new contract with the vendor and confirmation of the county prosecutor's review.

A board must in a public meeting vote to outsource the printing and mailing of absentee ballots by Tuesday, **June 7, 2022**. Boards must submit a copy of the contract for the August 2, 2022 election to the SOS by Tuesday, **June 14, 2022**.

### **II. TESTING OF ABSENTEE AND ELECTION DAY BALLOTS**

In addition to the logic and accuracy testing requirements all ballots produced and used by the CCBOE must be tested to ensure the ballots interact properly with the voting system and EPBs. The CCBOE must test absentee ballots printed at the board of elections or from a printing vendor. It must also test ballots produced for Election Day to ensure the correct information is displayed in any barcodes produced on the stubs. For boards that produce a unique barcode containing ballot style information and a consecutive number on the ballot stub, a sampling of each precinct's ballots must be tested for

accuracy. Pre-printed paper ballots used by precincts on Election Day must also be scanned in the precinct-based and central count scanner to ensure ballots properly scan and tabulate.

#### **PART FOUR – PRE-PAYMENT AND CHARGE-BACKS FOR LOCAL ISSUES**

The entire cost of special elections held on a day other than the day of a primary or general election, both in odd- and even-numbered years, is charged to the political subdivision that places an issue on the ballot. However, the August 2, 2022 Special Election will be held on the same date as a statewide primary election. Therefore, a political subdivision submitting the special election may be charged only for the cost of ballots and advertising. The State will be responsible for the remainder of the cost of the election. Our Office will inform boards as soon as possible of any additional funding that the General Assembly makes available to conduct the August 2, 2022 Special Election.

Prior to the federal court's order to conduct an August 2, 2022 Primary Election, political subdivisions submitting a question or issue for placement on the ballot were required to prepay 65 percent of the estimated cost of the election. Not later than Monday, **October 1, 2022**, the board must provide the true and accurate cost of ballots and advertising to each political subdivision that submitted a question or issue for placement on the ballot. Presuming the political subdivision prepaid more than the actual cost of ballots and advertising for the special election, the board of elections must promptly notify the board of county commissioners of that difference. The county commissioners then must remit the amount of the overpayment from the county elections revenue fund to the political subdivision within 30 days after receiving that notification.

**DIRECTIVE 2022-34**

May 28, 2022

To: All County Boards of Elections  
Board Members, Directors, and Deputy Directors

Re: Instructions for the August 2, 2022 Primary Election

**SUMMARY**

On May 27, 2022, a three-judge federal panel for the Southern District of Ohio (2-1) ordered, “[a]ssuming no map is approved by midnight on Saturday, May 28, we order Secretary of State Frank LaRose to push back Ohio’s state primaries to August 2, 2022, and to implement Map 3 for this year’s elections *only*.”<sup>1</sup> The Ohio Redistricting Commission’s rules require at least 24 hours public notice prior to holding a meeting and no such notice has been provided to the public. Therefore, boards of elections are required to implement the General Assembly district plan that was adopted by the Ohio Redistricting Commission on February 24, 2022, and to conduct a primary election for the offices of State Representative, State Senator, and Member of State Central Committee on August 2, 2022.

**INSTRUCTIONS**

**PART ONE: FEDERAL COURT ORDER AND AUGUST 2, 2022 PRIMARY ELECTION**

**I. AUGUST 2, 2022 PRIMARY ELECTION**

The federal court order requires the Secretary of State’s Office to conduct a primary election on August 2, 2022 for the offices of State Representative, State Senator, and Member of State Central Committee. In addition, boards may conduct a Special Election on August 2, 2022 for local questions and issues that were filed by May 4, 2022 (90 days before Election Day).<sup>2</sup> If a local option petition was filed by May 4, 2022, the local option question(s) may be placed on the August 2, 2022 primary election ballot.<sup>3</sup> The board must contact the local option petitioner and confirm in writing whether the petitioner intends for the question to appear on the ballot in the primary election or general election.

**II. STATE HOUSE AND SENATE DISTRICT MAPS**

The State House and Senate district shape files, equivalency files, legal descriptions, and most populous county lists for the Third District Map (adopted on February 24, 2022) are linked on the Secretary of State’s [website](#) under the heading for this Directive. Based on information collected from the boards, it is our understanding that 86 of the 88 counties have the Third District

<sup>1</sup> *Gonidakis, et al., v. LaRose, et al.*, Case No. 2:22-cv-0773 (S.D. Ohio May 27, 2022).

<sup>3</sup> [R.C. 4301.33\(B\)](#), [4301.331\(B\)](#), [4301.332\(B\)](#), [4301.333\(A\)](#), [4301.334\(A\)](#), and [4301.356](#).

Map programmed into their systems. If a board's voter registration system and central tabulating system are not programmed to reflect the Third District Map, the board must immediately begin working with its vendor(s) to reprogram its systems and complete reprogramming as soon as possible, but no later than Tuesday, **June 7, 2022**.

### **III. PRECINCT BOUNDARY CHANGES**

Boards of elections that had members of county central committee on the ballot could not change the number of precincts or precinct boundaries between January 1, 2022, and the May 3, 2022 Primary Election.<sup>4</sup> Boards of elections are not required to re-precinct in response to redistricting. However, new Ohio House and Senate districts may increase the number of split precincts in the county, and boards may choose to realign precinct boundaries to reduce splits. Boards may combine precincts within their jurisdiction. However, boards should note the following:<sup>5</sup>

- Changes in precinct boundaries must not occur during the 25 days immediately preceding a primary or general election.
- A precinct cannot contain more than 1,400 electors in active status.

### **IV. CERTIFICATION OF CANDIDATE PETITIONS AND PROTESTS**

The federal court order did not alter the partisan candidate filing deadlines for the primary election. The filing deadline for candidates for State Representative, State Senator, or Member of State Central Committee to file a declaration of candidacy was 4:00 p.m. on February 2, 2022.<sup>6</sup> Write-in candidates for the primary election were required to file their declaration of intent to be a write-in candidate by February 22, 2022.<sup>7</sup> If a declaration of candidacy or declaration of intent to be a write-in candidate was filed after those filing deadlines, the board must reject the candidacy.<sup>8</sup>

If a board **did not** receive a Form 2-ZA addendum by March 10, 2022 indicating that a candidate for State Representative or State Senator intended to change their residence to a new district, the board must meet by Friday, **June 3, 2022**, to re-certify or reject declarations of candidacy filed by the February 2, 2022 deadline for State Representative, State Senator, and Member of State Central Committee based on the Third District Map. If the board **did** receive a Form 2-ZA by March 10, 2022, indicating a State Representative or State Senator candidate's intent to change districts, the board must wait to re-certify or reject declarations of candidacy until Wednesday, **June 8, 2022**. If a candidate for State Representative, State Senator, or Member of State Central Committee withdraws their candidacy before the board meets, the board must not recertify that candidate to appear on the ballot.

[Directive 2022-26](#) established a protest deadline of March 17, 2022; however, the Supreme Court of Ohio issued its decision regarding the Third District Map the day before that deadline.<sup>9</sup>

<sup>7</sup> [R.C. 3513.041](#).

<sup>8</sup> Note that [R.C. 3513.10](#) prohibits returning a filing fee to a candidate.

<sup>9</sup> See *League of Women Voters of Ohio v. Ohio Redistricting Comm.*, 2022-Ohio-789.

Therefore, protests may be filed against candidates for the primary election no later than 4:00 p.m. on Monday, **June 6, 2022** for certifications done by Friday, **June 3, 2022** and by 4:00 p.m. on Thursday, **June 9, 2022** for certifications done by Wednesday, **June 8, 2022**. Protest hearings must be held, and protests decided no later than Friday, **June 10, 2022**.

## V. OHIO CONSTITUTION ARTICLE XI, SECTION 9(C)

Pursuant to [Article XI, Section 9\(C\)](#), “Notwithstanding any provision of this constitution or any law regarding the residence of senators and representatives, a general assembly district plan made pursuant to this section shall allow thirty days for persons to change residence in order to be eligible for election.” On February 24, 2022, the Ohio Redistricting Commission adopted the Third District Map. Thirty days following February 24, 2022 was March 26, 2022. However, the Ohio Supreme Court decision in *League of Women Voters*,<sup>10</sup> issued on March 16, 2022, effectively paused the implementation of the Third District Map for the May 3, 2022 Primary Election. As such, there are ten remaining days for candidates for State Representative or State Senator to change residence in order to be eligible for the August 2, 2022 Primary Election. Candidates for State Representative and State Senator may establish residency in a new district no later than **June 7, 2022** (ten days following the implementation of the May 27, 2022 federal court order).

Pursuant to [Directive 2022-26](#), candidates for State Representative or State Senator were required to file a [Form 2-ZA](#) addendum to their petitions by March 10, 2022. The most populous board of elections where the Form 2-ZA addendum was filed by March 10, 2022, was required to transfer the petition to the most populous county board of elections for the district that the candidate seeks to represent. The most populous county’s board of elections for the candidate’s new district must confirm that the candidate filed an addendum, became a resident of the district the candidate seeks to represent, and updated their voter registration to reflect their new residence within the district no later than Tuesday, **June 7, 2022**. Boards that received Form 2-ZA from a former most-populous county board of elections must contact any filer informing them of the Tuesday, **June 7, 2022** deadline no later than 4:00 p.m. on Tuesday, **May 31, 2022**, but as soon as practicable. A board of elections may not accept a Form 2-ZA addendum filed after March 10, 2022.

## VI. CANDIDATE WITHDRAWALS

Once filed, a candidate petition cannot be withdrawn or amended.<sup>11</sup> However, a candidate may withdraw their candidacy at any time before the primary by filing a written statement of withdrawal with the most populous county board of elections for the district.<sup>12</sup> The federal court order was issued less than 70 days before Election Day. As a result, the deadline to withdraw and not appear on the ballot is Monday, **June 13, 2022**. If a candidate withdraws after that date, the board cannot remove the name of the withdrawn candidate from the ballot. The board of elections must post a notice at each polling place on the day of the election, and enclose with each absentee ballot, a notice that votes for the withdrawn candidate will be void and will not be counted.<sup>13</sup>

<sup>10</sup> *League of Women Voters of Ohio v. Ohio Redistricting Comm.*, 2022-Ohio-789.

<sup>12</sup> [R.C. 3513.30\(B\)](#) and [\(D\)](#).

<sup>13</sup> [R.C. 3513.30\(E\)](#).

Boards must inform candidates certified to the primary election ballot that Monday **June 13, 2022**, is the deadline to withdraw and be removed from the ballot.

## **VII. INDEPENDENT CANDIDATES FOR OHIO HOUSE AND SENATE FOR THE NOVEMBER 8, 2022 GENERAL ELECTION**

According to [R.C. 3513.257](#), nominating petitions to run as an independent candidate must be filed by 4:00 p.m. on the day before the day of the primary election immediately preceding the general election at which the candidacy is to be voted on. Due to the August 2, 2022 date for the General Assembly's primary election, the independent candidate filing deadline for candidates for State Representative or State Senator is 4:00 p.m. on Monday, **August 1, 2022**. Boards of elections must certify the validity and sufficiency of independent candidates' nominating petitions for State Representative or State Senator no later than Monday, **August 22, 2022**, and protests against the candidates' nominating petitions must be filed no later than Friday, **August 26, 2022**.

## **VIII. CAMPAIGN FINANCE DEADLINES**

Campaign committees for candidates on the August 2, 2022 Primary Election ballot, and non-candidate committees that attempt to influence the August 2, 2022 Primary Election, are required to file a Pre-Primary Report on Thursday, **July 21, 2022** (12 days before the August 2, 2022 Primary Election) to reflect activity through Wednesday, **July 13, 2022** (20 days before the August 2, 2022 Primary Election), if the committee raised or spent \$1,000 or more to influence the August 2, 2022 Primary Election by the close of business on Wednesday, **July 13, 2022**.

Campaign committees for candidates on the August 2, 2022 Primary Election ballot, and non-candidate committees that attempt to influence the August 2, 2022 Primary Election are required to file a Post-Primary Report on Friday, **September 9, 2022** (38 days after the August 2, 2022 Primary Election) to reflect activity through Friday, **September 2, 2022** (31 days after the August 2, 2022 Primary Election). Contribution limits for General Assembly candidates did not reset after the May 3, 2022 election.<sup>14</sup> However, the contribution limits for General Assembly candidates will reset after the August 2, 2022 election.

## **IX. POLLING LOCATIONS AND PRECINCT ELECTION OFFICIALS**

Boards of elections must contact all polling locations to ensure availability for the August 2, 2022 Primary Election. Boards that employ outside organizations/companies for delivery of voting equipment and supplies must confirm availability and establish a delivery schedule.

Any board that changes polling locations for the August 2, 2022 Primary Election must mail notice to registered voters in the precinct(s)<sup>15</sup> and do all of the following:

- (1) Issue a press release to local media containing information regarding the new polling location(s);
- (2) Post a notice in a clear and conspicuous place at the previous polling location that redirects voters to the new polling location;
- (3) Update the polling location on the board of election's website;

---

<sup>14</sup> [R.C. 3517.102\(A\)](#).

<sup>15</sup> [R.C. 3501.21](#).

- (4) Update the board of election’s voter registration system with the new polling location;
- (5) Provide the updated precinct and polling location packet to the Secretary of State’s Office immediately. Once the packet is sent, email the updated list to [SWVRD@OhioSOS.gov](mailto:SWVRD@OhioSOS.gov);
- (6) Update the board of election’s election management system, if possible; and
- (7) Update the board of election’s electronic pollbook, if possible.

All new polling locations must comply with the Americans with Disabilities Act (“ADA”).

In any election, a board of elections, by a vote of at least three members of the board, may opt to have a single voting location serve more than one precinct.<sup>16</sup> If a multi-precinct voting location uses electronic pollbooks, the board may reduce the number of precinct election officials from four per precinct to two, so long as the board approves the reduction by the affirmative vote of at least three of its member.<sup>17</sup>

Each new precinct election official must be trained in-person on the county’s voting equipment before participating in the person’s first election as a precinct election official, and programs of instruction must be scheduled within 60 days before the election.<sup>18</sup> Precinct election officials, other than voting location managers, who have been previously trained, need only receive instruction once every three years, when the county changes voting equipment, or when the board or Secretary of State considers the instruction necessary.<sup>19</sup> For this election, boards are not required to retrain precinct election officials who received training within the past three years, so long as the county has not changed voting equipment. However, voting location managers must receive training before the August 2, 2022 Primary Election if they were not trained before the May 3, 2022 Primary Election.<sup>20</sup>

## **X. SECURITY OF VOTING EQUIPMENT**

Each board must review the security requirements outlined in [Chapters 3](#) and [6](#) of the Election Official Manual. During precinct election official training, boards must provide instructions to precinct election officials on the importance of maintaining the security of voting equipment and electronic pollbooks, verifying that all voting equipment is properly sealed, and recording information per the board’s instructions on the custody log.

Boards of elections must use a Chain of Custody Log ([Form 400](#) or a local equivalent) to document the exchange of custody of voting equipment, election supplies, and/or ballots. Boards of elections must train precinct election officials on inspection of tamper-evident seals to ensure precinct election officials know how to inspect the physical security of the voting equipment at their location.

## **PART TWO: FORM OF THE BALLOT**

### **I. BALLOT LAYOUT**

Instead of issuing a separate Directive with specific details covering ballot layout and proofing, the Secretary of State's Office is issuing this portion of the Directive, which must be used in conjunction with [Chapter 5 of the Election Official Manual](#) when preparing ballots for this election.

#### **A. VERIFYING DISTRICT RELATIONSHIPS**

Before programming any aspect of the central tabulating system for the August 2, 2022 Primary Election, boards of elections must verify the accuracy of district relationships in the central tabulating system against the county's voter registration system.<sup>21</sup> This is to ensure that each voter receives the correct ballot style (*i.e.*, the correct combination of candidate offices and issues) based upon that voter's residential address.

#### **B. OFFICIAL BALLOT FORMS**

Each board of elections is to provide a separate ballot for each political party listing candidates for nomination or election in a primary election.<sup>22</sup> Accordingly, the following ballot forms are posted to the Secretary of State's [website](#) under the heading for this Directive:

- Official Democratic Primary Ballot;
- Official Republican Primary Ballot; and
- Official Questions and Issues Ballot.

The names of all candidates, who have not withdrawn (*see* Part One, Section VI of this Directive), must be arranged, rotated, and printed upon the ballot in accordance with the provisions of Ohio Revised Code Chapters [3505](#), [3506](#), and [3513](#) and [Chapter 5 of the Election Official Manual](#).

#### **C. ORDER OF OFFICES FOR PRIMARY BALLOTS**<sup>23</sup>

1. The order of offices for **Democratic Party** ballots shall be as follows:
  - Member of State Central Committee, Man
  - Member of State Central Committee, Woman
  - State Senator
  - State Representative
2. The order of offices for Republican Party ballots shall be as follows:
  - Member of State Central Committee, Man

---

<sup>21</sup> Boards must proof and verify the accuracy of all districts including, but not limited to, Ohio House, Ohio Senate, and State Central Committee districts.

<sup>22</sup> [R.C. 3513.13](#).

<sup>23</sup> [R.C. 3513.13](#).

- Member of State Central Committee, Woman
- State Senator
- State Representative

#### **D. BLANK SPACES FOR WRITE-IN VOTES**

A write-in space must be provided on the ballot for every office for which the board of elections received a valid declaration of intent to be a write-in candidate.<sup>24</sup> However, the board may not accept declarations of intent to be a write-in candidate for state central committee.<sup>25</sup> If no valid declarations of candidacy were filed for state central committee, the office does not appear on the ballot.<sup>26</sup>

#### **E. OFFICIAL QUESTIONS AND ISSUES BALLOT**<sup>27</sup>

Offices for which candidates may be nominated or elected are presented on the ballot first, followed by the questions and issues. The Official Questions and Issues Ballot must be used for all voting systems. The ballot form also contains examples of some of the local questions and issues that may appear on the ballot in your county. Not every category or type of question/issue will appear on every ballot in every county.

Additional instructions on headings, ballot language, and percentage of votes can be found in [Chapter 5 of the Election Official Manual](#). For questions and issues that were filed in time for the August 2, 2022 Special Election, the questions and issues must be grouped together in the following political subdivision order:

- School and Other Districts
- County
- Municipal
- Township

Each board of elections may determine the specific order in which the questions/issues within each group are placed on the ballot in that county, however, a board should adopt a method for doing so (i.e., ordered alphabetically or by date filed, etc.). Absentee ballots must contain identical ordering of issues within groups to regular ballots.

Boards must review the appropriate sections of the Ohio Revised Code, local charter (if applicable), and the [Questions and Issues Handbook](#) for ballot language and formats that are not on the Official Questions and Issues Ballot.

## **II. BOARD WEBSITES AND FEDERAL WRITE-IN ABSENTEE VOTERS (“FWAB”) NOTICE**

Boards of elections must remove from their website and Voter Information Lookup the Special Notice prescribed in [Directive 2022-31](#). Boards must also remove the following disclaimer

<sup>24</sup> [R.C. 3513.041 and R.C. 3513.14](#).

<sup>25</sup> *See* [1970 Ohio Atty.Gen.Ops. No. 70-011](#).

<sup>26</sup> [R.C. 3513.14](#).

<sup>27</sup> [R.C. 3505.06](#).

from their FWAB notice: “The content of this notice may change if a court order or legislative act requires a primary election for the General Assembly and State Central Committee in August.”

### **III. ABSENTEE BALLOTS AND APPLICATIONS**

Boards of elections must send a copy of each absentee ballot style (including candidates and questions and issues) to the Secretary of State’s Office at least 47 days before the election, by Thursday, **June 16, 2022**. Absentee ballots must be uploaded to the SharePoint site.<sup>28</sup>

Voters may request a ballot for either major political party or an issues-only ballot, if applicable, regardless of their participation in the May 3, 2022 Primary Election. An absentee ballot application must identify the election for which absent voter's ballots are requested.<sup>29</sup> However, an absentee ballot application that is marked for the primary election must not be rejected due to an error in the date of the election, so long as it is otherwise clear that the voter is requesting a ballot for the August 2, 2022 Primary Election.

The voter registration deadline is Tuesday, **July 5, 2022**. Each board of elections must have absentee ballots printed and ready for use by Friday, **June 17, 2022** (46 days before the August 2, 2022 Primary Election) for Uniformed and Overseas Citizens Absentee Voting Act (“UOCAVA”) voters.<sup>30</sup> Absentee voting, by mail and in-person for non-UOCAVA voters, begins on Wednesday, **July 6, 2022** for regular (non-UOCAVA) absentee voters.<sup>31</sup> Boards must conduct in-person early voting according to the days and hours set forth in [Chapter 7 of the Election Official Manual](#) (page 201) for a primary election.

## **PART THREE – BALLOTS**

### **I. ABSENTEE BALLOT OUTSOURCING**

[Chapter 7 of the Election Official Manual](#) requires a board of elections that seeks to outsource the printing and mailing of absentee ballots to vendors or any third party to receive prior written authorization from the Director of Elections. A board that received written authorization to outsource absentee ballot mailings for the May 3, 2022 Primary Election need only submit an application that includes updates to its last application, including a copy of the new contract with the vendor and confirmation of the county prosecutor’s review.

To outsource absentee ballot processing for the August 2, 2022 election, a board must in a public meeting vote to outsource the printing and mailing of absentee ballots by Tuesday, **June 7, 2022**. Boards must submit a copy of the contract for the August 2, 2022 election to our Office by Tuesday, **June 14, 2022** via email at [Results@OhioSoS.gov](mailto:Results@OhioSoS.gov), along with any updates to their processes and plans from their May 3, 2022 Primary Election application.

### **II. TESTING OF ABSENTEE AND ELECTION DAY BALLOTS**

In addition to the logic and accuracy testing requirements outlined in [Chapter 5 of the Election Official Manual](#), all ballots produced and used by the board must be tested to ensure that

---

<sup>28</sup> [Chapter 5, Section 5.04](#) of the Election Official Manual.

<sup>29</sup> [R.C. 3509.03](#).

<sup>30</sup> [R.C. 3511.04](#).

<sup>31</sup> [R.C. 3509.01](#).

the ballots interact properly with the voting system and electronic pollbooks. The board of elections must test absentee ballots printed at the board of elections or from a printing vendor. The board must also test ballots produced for Election Day to ensure the correct information is displayed in any barcodes produced on the stubs. For boards that produce a unique barcode containing ballot style information and a consecutive number on the ballot stub, a sampling of each precinct's ballots must be tested for accuracy. Pre-printed paper ballots used by precincts on Election Day must also be scanned in the precinct-based and central count scanner to ensure ballots properly scan and tabulate.

#### **PART FOUR: PRE-PAYMENT AND CHARGE-BACKS FOR LOCAL ISSUES**

The entire cost of special elections held on a day other than the day of a primary or general election, both in odd- and even-numbered years, is charged to the political subdivision that places an issue on the ballot. However, the August 2, 2022 Special Election will be held on the same date as a statewide primary election. Therefore, a political subdivision submitting the special election may be charged only for the cost of ballots and advertising. The State will be responsible for the remainder of the cost of the election.<sup>32</sup> Our Office will inform boards as soon as possible of any additional funding that the General Assembly makes available to conduct the August 2, 2022 Special Election. Our Office is actively engaged with legislative leaders to facilitate this necessary funding.

Prior to the federal court's order to conduct an August 2, 2022 Primary Election, political subdivisions submitting a question or issue for placement on the ballot were required to prepay 65 percent of the estimated cost of the election. Not later than Monday, **October 1, 2022**, the board must provide the true and accurate cost of ballots and advertising to each political subdivision that submitted a question or issue for placement on the ballot. Presuming the political subdivision prepaid more than the actual cost of ballots and advertising for the special election, the board of elections must promptly notify the board of county commissioners of that difference. The county commissioners then must remit the amount of the overpayment from the county elections revenue fund to the political subdivision within 30 days after receiving that notification.<sup>33</sup>

Each board of elections director must share this Directive with its legal counsel, the county prosecuting attorney, and its voter registration system and voting equipment vendors as soon as possible. If you have any questions regarding this Directive, please contact the Secretary of State's elections counsel at (614) 728-8789.

Yours in service,

Frank LaRose  
Ohio Secretary of State

May 28, 2022

To: All County Boards of Elections  
Board Members, Directors, and Deputy Directors

Re: Data Collection, Notice, and Cancellation Procedures for Completion of 2018 National Change of Address (“NCOA”) and Supplemental Process

**BACKGROUND**

Earlier this year, our Office issued [Directive 2022-23](#) to provide instructions for the cancellation of voter records pursuant to the 2018 NCOA and Supplemental Process. Due to the unanticipated August 2, 2022 Primary Election, the deadlines associated with the 2018 NCOA and Supplemental Process must be updated. This Directive serves to adjust the timeframes associated with these procedures.

The Secretary of State is committed to both maintaining accurate voter registration records according to state and federal law and giving all eligible voters the opportunity to maintain an active registration status. **No voter registrations will be cancelled before the November 8, 2022 General Election as a result of the state’s general voter records maintenance program.**

After the 2022 General Election and according to the timelines set forth in this Directive, boards must provide a pre-cancellation list, but only after (1) uploading all voter history from the 2022 General Election and (2) processing voter registration transactions pending after the election. Cancellations will occur as outlined in the instructions below.

**INSTRUCTIONS**

**I. CANCELLATIONS PURSUANT TO THE 2018 NCOA AND SUPPLEMENTAL PROCESS**

**Boards of elections are prohibited from cancelling any voter registration pursuant to the 2018 NCOA and Supplemental Process prior to the November 8, 2022 General Election.** The following instructions are for the period after the 2022 General Election, preceding any cancellation.

**A. PRE-CANCELLATION SPREADSHEET: 2018 NCOA AND SUPPLEMENTAL PROCESS RECORDS**

Before completing any cancellations pursuant to the 2018 NCOA and Supplemental Process, all boards must submit a “pre-cancellation file” to the Secretary of State’s Office. Prior to providing the pre-cancellation file, boards must process all outstanding voter registration transactions and timely resolve duplicate registrations. To meet the goal of resolving all duplicate registrations prior to providing the pre-cancellation spreadsheet, each board must complete the following steps:

1. Receive voter registration forms from all agencies that register citizens to vote and process all voter registration transactions received by the close of business on **December 19, 2022.**<sup>1</sup>
2. Resolve all outstanding duplicate registrations by the close of business on **December 23, 2022.**

The board must communicate this December 19, 2022 deadline with each agency responsible for accepting voter registrations forms in the county and receive and process all voter registration forms by this date. Boards may resume processing voter registration transactions on **December 31, 2022.**

On the day shown below, boards must upload the spreadsheet containing the records of registrations that are pending cancellation pursuant to the 2018 NCOA and Supplemental Process:

- **December 28, 2022:** Adams through Guernsey
- **December 29, 2022:** Hamilton through Muskingum
- **December 30, 2022:** Noble through Wyandot

The pre-cancellation file format is the same as for the registration readiness file and must be uploaded to the board's SharePoint folder in a .csv format. Each record provided in the spreadsheet as a result of the **2018 NCOA Process** must meet the following data conditions:

- The record does not contain voter history on or after May 8, 2018;
- The record does not contain any voter-initiated activity between the date the confirmation notice was mailed and the date the data is compiled for the pre-cancellation list. Voter-initiated activity includes voting, submitting a valid absentee ballot application, registering to vote, updating or confirming an address with a board of elections or the BMV, or signing a candidate or issue petition that is verified by a board of elections;<sup>2</sup> and
- The record appears on the registration readiness notice spreadsheet.

Each record provided in the spreadsheet as a result of the **2018 Supplemental Process** must meet the following data conditions:

- The record is in active-confirmation status because of the 2018 Supplemental Process;
- The record appears on the 2018 Supplemental list;
- The record's registration date is before March 15, 2016;
- The record does not contain voter history on or after March 15, 2016;

---

<sup>1</sup> [R.C. 3503.10 and 3503.11.](#)

<sup>2</sup> See [Election Official Manual, Chapter 4, Section 4.01.](#)

- The record does not contain any voter-initiated activity between the date the confirmation notice was mailed and the date the data is compiled for the pre-cancellation list. Voter-initiated activity includes voting, submitting a valid absentee ballot application, registering to vote, updating or confirming an address with a board of elections or the BMV, or signing a candidate or issue petition that is verified by a board of elections;<sup>3</sup> and
- The record appears on the registration readiness notice spreadsheet.

Boards are prohibited from cancelling any registration that appears on a “do not cancel” spreadsheet from the Secretary of State’s Office.

**B. CANCELLATION SPREADSHEET: 2018 NCOA AND SUPPLEMENTAL PROCESS RECORDS**

Once the Secretary of State’s Office reviews the list of voter registration records pending cancellation, each board will receive an email instructing the board to proceed with cancelling the registrations. The boards must not cancel any registration until receipt of that email. All identified records must be cancelled by **January 9, 2023**.

Boards of elections must not cancel any registration pursuant to the 2018 NCOA Process to which any of the following apply:

1. The registration appears on the “do not cancel” list accompanying this Directive;
2. The registration is impacted by a voter registration vendor’s error known to the board;
3. The board is missing voter history in their county voter registration database from any election between March 15, 2016 through the 2022 General Election; or
4. The registration appears on the Secretary of State’s Statewide Voter Registration Database (“SWVRD”) in “active” status.

On the day shown below, boards must upload the spreadsheet containing the registrations that received the registration readiness notice and were cancelled:

- **January 10, 2023:** Adams through Guernsey
- **January 11, 2023:** Hamilton through Muskingum
- **January 12, 2023:** Noble through Wyandot

The cancellation file format is the same as described above for the pre-cancellation file. The cancellation file must be uploaded to the board’s SharePoint folder in a .csv format.

---

<sup>3</sup> See [Election Official Manual, Chapter 13, Section 13.01](#).

## II. MAINTAINING RECORDS OF CANCELLATION

Each board must work with its voter registration vendor to ensure that its county voter registration system maintains and can produce a list of voter registrations cancelled pursuant this Directive. Boards must record all of the following in their county's voter registration system:

- The date that it mailed a registration readiness notice ([Secretary of State Form 255-A-3 – Updated 2/2022](#)) by the **March 8, 2022** deadline contained in [Directive 2022-23](#) to an elector;
- If the elector responds to the notice, the date on which the elector responded; and
- If the elector does not respond to the notice, the date the registration was cancelled.

Boards of elections must maintain and make available for public inspection and copying at a reasonable cost all records concerning the implementation of programs and activities conducted for the purpose of ensuring the accuracy and currency of registration lists, including the names and addresses of all registered electors sent confirmation notices and whether the elector responded to the confirmation notice.<sup>4</sup>

## August 2, 2022 Primary Election

### Preliminary Ballot Order

The following is the ballot order for the August 2, 2022 Primary Election. The administration has reviewed and revised the order considering future filing deadlines and changes in voter registration.

The Cuyahoga County Board of Elections Election Day proposed ballot order is based upon the following factors:

- 150% of active Democratic voters for all active voters compared to 125% of the turnout from the 2010, 2014 and 2018 plus 115% of Provisionals cast in those elections for the Gubernatorial Primary Elections. Whichever total was greater, that was used to create the Preliminary Ballot Order.
- 150% of active Republican voters for all active voters compared to 125% of the turnout from the 2010, 2014 and 2018 plus 115% of Provisionals cast in those elections for the Gubernatorial Primary Elections. Whichever total was greater, that was used to create the Preliminary Ballot Order.
- 30% of active Nonpartisan or unaffiliated voters compared to 125% of the turnout from the 2010, 2014 and 2018 plus 115% of Provisionals cast in those elections for the Gubernatorial Primary Elections. Whichever total was greater, that was used to create the Preliminary Ballot Order.

Additionally, 50 ballots from the Democratic ballot set, 25 ballots from the Republican ballot set and 25 ballots from the Nonpartisan (Questions & Issues) ballot set each were ordered for Early In-Person voting. A Nursing Home order was placed based on the number of registered voters for both parties at each nursing home located within the precinct. # May 3, 2022 Primary Election Early In-Person Election Officials Performance Report

## I. Opening and Closing EIP Voting Location

### A. Initial setup (First Day of Voting)

On the first day of Early In-Person voting (April 5<sup>th</sup>), two DS200 were turned on and made ready for voting for the election. A zero report was generated to show the machines had no ballots that were scanned and tabulated for the election. At least one full-time staff member was part of a bipartisan team responsible for performing this operation. The team then signed off on the Zero Report and stored it with the respective security logbook. One DS200 was closed, but left active to serve as a back-up scanner in the event of malfunction of the primary scanner. No DS200s were used during the three-day, alternate voting plan explained below in Section B.

During the fourth week of EIP voting we kept two DS200 scanners operational in the room and a third scanner was opened and closed daily but kept the ballot room storage area so that it could be deployed immediately if needed.

### B. Daily Opening and Closing of Polling Places

Unlike DS200s used at the polling locations on Election Day, the DS200s used at the EIP voting location are “opened” (turned on) and “closed” (turned off) each day, but technically polling did not close until 7:30 Election Night. Each day the BOE was open for voting during EIP and the scanners could be used (April 8-May 2), we reviewed the DS200 Audit Log for the opening and closing times of each DS200 used. Security seals and total votes were checked for discrepancies from closing the night before. There were never any discrepancies.

The voting machine was opened and ready for voters by 8:00 a.m. (except the Sunday before Election Day when voting started at 1:00 p.m.). For closing times, we first ensured that no machine was shut down prior to the prescribed SOS time of close.

During the first three days of voting we did not have ballots available for scanning. A contingency plan was developed that would allow voters to cast ballots on heavy bond legal size paper and stamped with a security seal. They were remade onto certified ballot stock later by the Ballot Department Remake Team.

EIP staff issued ballots in the same manner as Take Away ballots where voters completed applications to serve as documentation of receiving a ballot and placed their completed ballots in ID Envelopes, which were then dropped in ballot boxes. An audit of the ID Envelopes was performed at the end of voting each day and compared to ballots issued as EIP to ensure all ballots were accounted for. We issued 117 ballots during the three days of contingency voting. All were later remade by the Ballot Department. (Note: 115 of those ballots were cast at the EIP Voting Center and 2 were taken home by the voters and later returned using the outside drop box.)

Staff explained the ballot situation to voters who were given the choice to vote a ballot to be remade later or come back when the certified ballot was available. Several voters chose the latter. Voters were very understanding and there were no outward expressions of frustration.

We implemented a staffing adjustment that we used during the 2020 Presidential Election. During the last two weeks of voting we hired four additional voting operators who worked 10am to 2pm to provide coverage during the lunch breaks for full-time, temporary workers. These individuals were seasoned, Election Day workers, so the EIP work was a fairly easy pivot from the work they had done before. This provided us with full coverage during peak lunch hours and helped keep the regulars fresh. These four extras also helped during weekend voting.

### **C. Signing the Oath by the EIPEOs**

Before Early In-Person voting began, a designee of the manager of CPS (Stephen Doell, Supervisor) administered the Oath to the four EIPEOs orally and they, in turn, signed a written copy of the Oath.

### **D. Final close of Polls (Election Day 7:30 p.m.)**

The final close of polls for the Early In-Person vote center was May 2<sup>nd</sup> at 2:00 p.m. All machines were put through the nightly shut down process and emptied of the ballots. The machines were then sent to the Ballot Department on Election Day by a bipartisan team. The machines were completely shut down by Ballot Department staff at 7:30 p.m. election

night and the vote tally memory sticks were removed and uploaded by the Ballot Department.

## **II. Self-Reporting of Problems**

The EIPEOs are temporary employees hired to assist with the implementation of early voting and are directly supervised by full-time staff of the CCBOE at all times. In training, they are instructed to immediately inform the supervisors of any issues that arise. Therefore, after-the-fact reporting of incidents and ballot quantities by the temporary staff during Early In-Person Voting is not necessary.

## **III. Handling of Provisional Ballot**

The EIP voting staff issued Provisional ballots to 137 voters encountering Registration issues throughout the election cycle. Forty of those voters were on Election Day.

## **IV. Reconciliation After Polls are Closed – Delivering Ballots to the Ballot Department**

### **A. Completing Reconciliation Duties**

The number of ballots cast at the CCBOE Early In-Person voting center was 5,438; including 219 Take Away ballots. 117 of the 219 Take Away Ballots were issued during the three days of EIP Contingency Voting (see section I.B) the remaining 102 ballots were traditional Take Away ballots.

### **B. Delivering Ballots to the Ballot Department**

Because this election was smaller in scale to an all-county election it was agreed that just one delivery would be necessary. After closing the DS200 at the end of the EIP voting period the machine was emptied of ballots and sorted to precinct level. The ballots were delivered to the Ballot Department by Election Support staff along with the DS200s.
